chronicles

Document your reading journey with us!

chronicles

Introduction

Why Chronicles?

chronicles

Problem Statement

Books can be classified into many categories. And then the categories can be classified into sub-categories. And the sub-categories can have sub-categories. Point is, there are millions of books out there and we can possibly read all of them! So, what to read?
Chronicles is here to help you with it!

chronicles

Chronicles

Designed to help you pick a book!

chronicles

Chronicles

01 Recommendations

Recommendations based on your reading habits and preferred genres, authors and tropes!

02 Shelving System

A shelving system that allows you to sort books you own, want to read, books you've read and are currently reading based on your preferences.

03 Challenges

Challenges that forces you to complete your reading goals, and improves your reading habits!
